TED TALK

A Pawsitively Exciting Update ~~on~~ **FROM** CEO (Chief Excitement Officer) Teddy Bier!

Hi to all my Pals!

Look, we all need to take breaks throughout the workday; healthy work/life balance, right? Well...one day the Lawyer and I needed to clear our minds, so I took him on a little walk around the neighborhood.

You. Will. Not. Believe. What. I. Saw.

It was a friggin dinosaur!!! The Lawyer kept saying it's something called a tortoise, but come on...I notice things when the TV is on, and that's a friggin dinosaur!

I wanted to sniff him, and lick him, and play with him... but dangit I couldn't get close enough! I really wanted to ask him what it's like to carry your house with you everywhere.

I think I'll try again tomorrow.

ENTERING ADULTHOOD: MORE THAN JUST A MILESTONE

Turning 18 means your child is a legal adult and for a parent, it's equal parts exciting and scary! This transition brings about significant legal changes many families may not be prepared for, but you can give them (and yourself) a little extra peace of mind.

We call it the W.H.E.N. Plan™ (Wealth and Health Emergency Nomination Plan). It empowers your children to choose decision-makers for emergencies when they can't speak for themselves.

If they are in an accident and unconscious, no one -- not even you as a parent -- has the right to manage their health care or finances. But with the W.H.E.N. Plan™ you can.

KATHRYN GARDINER **Licensed Cosmetologist/ Licensed Permanent Makeup** **Beach Chic Salon and Spa**

What do you do?

I'm dedicated to helping customers look and feel their best by providing expert advice on hair color treatments, face-shaping haircuts, and anti-aging skin and body treatments tailored to each individual. My goal is to enhance your natural beauty with anti-aging treatments, botanical hair color, and luxurious hair products that support the health of your hair and skin.

What's the best part of your job?

The most satisfying aspect of my job is seeing clients leave my chair or spa happy and confident. The referrals from satisfied clients are definitely a testament to the quality of my work and I am always grateful for their trust and support.

What's the most common misconception people have about your industry?

One misconception about our industry is the idea that once you have been doing hair for a while, you know everything. In our ever-changing industry, continuous education is crucial. It allows me to offer the best service to my clients and adapt to the ever-changing trends and techniques. I believe that learning is a lifelong process, and by investing in my skills, I can provide better experiences for my clients.

What would people be surprised to learn about you?

My dream of doing hair started at a very young age. I began getting paid to do haircuts as early as 12 years old and I still love what I do. Being a business owner and operator in Redondo Beach has been a blessing to me and my family. I am very grateful to every neighbor or friend who continues supporting this local business.

What's your favorite local restaurant?

I would like to recommend my favorite local restaurant for a delicious brunch/lunch/dinner at [Bonaparte Bistro](#) in Hermosa Beach.
