TED TALK

A Pawsitively Exciting Update ~~on~~ FROM CEO (Chief Excitement Officer) Teddy Bier!

Boy oh boy oh boy, do I have a story for you!

The Boss and the Lawyer kept talking about taking a vacation, but guess what? I got to go WITH them! ROAD TRIP!! My very first one and I loved every second! I even got to show off my [Instagram](#) magnet to new friends along the way. Our big destination? A magical place called *Idyllwild*. And get this—the mayor is a dog. That’s right, a fellow pup running the whole town. I knew right away this was my kind of place.

The Boss rented a cabin in the woods with a HUGE yard just for me. I ran, I played, I chased squirrels, I chased bubbles! Basically, it was like someone designed a dream yard just for me. At first I wasn’t so sure about the leaky sky (they call it “rain”), but the next day brought sunny skies and nonstop fun. We even walked into town where I met a new pal named Buffy. She was so chill! Then the Lawyer told me Buffy was a statue. Oops.

Oh boy, I’m running out of room here. I’ve got more adventures to share, so you’ll just have to check back next month for part two! 🐾

Road trippin’ and followers gettin’

Wet hair, warm heart

Pfft, I knew the whole time 🤨
